Please read carefully the procedures, Terms and Conditions before making your booking.

Let your look sail from Chania up to Kisamos from 2133m. Let your senses free to guide you through the beauty of the nature.

Chania – Lakkoï – Fokies: Quickly we leave behind us the urban landscape and as we reach “Lakkoï” village the view becomes more wild.

Fokies – Poria: We offer you an off road *adventure* which requires demanding driving and a chance to try our jeeps power! Adrenaline rises.

Starting Hiking Point: We are close to 1500m altitude and we can feel the mountain energy. The peaks Psari and Melidaou in altitude more than 2000 m are close to us.

Melidaou Peak: Following the sign path will be at our destination after 1h and 45 minutes. Will enjoy the view to Chania town and Cretan sea to the north from 2133 m. Kaloros and Psari peaks are visible and close. Before our return will check the Kallergis refuge which is our next destination.

Kallergis Refuge: We are now at an altitude of 1680m, at the most famous refuge at Lefka Ori mountain. The view of the surrounding peaks and the seas of both North and South Crete, is breathtaking.

Xiloskalo: After an off road route will be at the entrance point of one of the longest ravines in Europe, the Samaria gorge, at 1200m altitude. It is time for some commemorative photos, using the beauty of “Lefka Ori” as background.

Omalos Plateau: Local tavernas have a reputation for preserving the authenticity of Cretan cuisine. It is time for to verify it.

Karanou – Skines – Chania: Continue driving North to Chania, the beauty of nature changes in every turn. More tree groves, small rivers and more green colour in general around us. Picturesque villages make our route, down to Chania town memorable.
