Are you ready to explore Chania Old Town Little Secrets and live as a local for a few hours? Join us, taste traditional Cretan products, talk with local people and have the chance of Cretan wine tasting.

This is not a tour with a guide giving you lots of historical information. Instead, it is an escorted privileged tour and the main objective is to visit a few authentic spots in Chania Old Town, to talk with local people and taste traditional Cretan products and wines.

We will help you to see, how the locals life is and to feel as a local for a few hours.

We have carefully selected sites (some of them beaten track) all easily accessible.

Our selection includes Jewish, Turkish, Greek, Venetian and Christian monuments.

We will guide you along the picturesque narrow streets with a tour escort who will take you to special spots to take some spectacular photos and presents the most famous sights and monuments to you.

During your walking tour we will stop frequently to talk with locals and have a sampling of local products and beverages such as, "koulouri", "Kalitsounia", "loukoumades", "graviera", "mizithra", "ntakos", "alatsolies", "tsakistes", "tsikoudia", fresh tomatoes and local Cretan honey.

Towards the end of the tour will have the chance of Cretan wine tasting (4 different Cretan wines).

Taste what Cretan have been producing for over 4.000 years.

As we drive you back to your cruise ship, we will visit a small Orthodox church, "Profitis Ilias", to enjoy Chania city's view from a hill.
