

## White Mountains Jeep tour with Lunch

Please read carefully the procedures, Terms and Conditions before making your booking.

**Choose a small group Jeep Safari tour to enjoy the Cretan landscape, to visit a unique destination not accessible by rentals where the shepherds live in summer time, and produce cheese using a centuries-old method called “graviera”. Enjoy your lunch time in Cretan flavor with Cretan salad, wine and dessert at historical Therisso village, where the Cretan revolution began in 1905 and changed the local history.**

Most people visiting Crete think of beautiful beaches and bright sun waiting in this beautiful corner of the Mediterranean. But, are you aware that the true soul of Crete is hidden in the mountains? During this full-day guided safari tour with a maximum of 6 guests per guide, you will see firsthand what life is like for the Cretan shepherds.

High mountain tops stand stately in endless blue sky and may appear rough and unfriendly, but in the mountains an ancient tradition is passed from generation to generation for over thousands of years. Animal herding in Crete was a popular profession at one time, today animal herding is still important and although people do not have a goat in their household anymore, shepherds remain a popular profession. Follow them along the 1,400-meter (4500 ft )high White Mountains and visit the traditional Mitato, or shepherd's hut. You will discover how they live, what challenges they face and how they produce cheese using a centuries-old method called graviera.

Visit the picturesque village of Therisso where the Cretan revolution began in 1905 and changed the local history and enjoy a traditional Cretan lunch accompanied by delicious local wine.

Your delicious lunch will consist of a traditional Cretan flavor with Cretan salad, wine and dessert.

Forego the typical tourist spots for an unforgettable sneak peek at a side of Crete few people get to see where people of the mountains preserve and continue a culture that has managed to keep the people of Crete alive for thousands of years.
