White Mountains: Driving uphill we stop at 1000m (3300ft) altitude to enjoy the view from above and take photos.

Omalos Plateau: At 1000m (3300ft) altitude there is a small Plateau and it is famous because of the apples, the potatoes, the honey and the mountain tea.

Samaria Gorge: Visit the Samaria gorge entrance and enjoy your breakfast at 1200m altitude (4000ft). Samaria Gorge is a National park in Greece from 1962 and a world's Biosphere Reserve, from UNESCO. Your breakfast will consist of traditional Cretan flavors and a cup of coffee or tea.

Sebronas Gorge: Things are getting more and more adventurous in our Jeep Safari tour. The scenery is changing really fast and from the valley with olive, orange, lemon and avocado trees will be at Sebronas gorge with many chestnut and walnut trees.

Anoskeli Winery and Olive Mill : At Anoskeli's Olive mill and winery the Sommeliers and Wine-Olive Oil producers, as more professional in their sector, will inform you about the wine and olive oil when they serve you.
