Head to Anoskeli's local winery and olive mill where you will enjoy a professionally guided tour of the facilities and learn how they produce olive oil. Enjoy the Deliana-Mesavlia gorge view from above, take photos with local mountain goats, watch as vultures soar gracefully in the air and soak in breathtaking panoramic views. From there you will ride to the charming village of Ano Vouves to see the world's oldest living olive tree, still producing its precious liquid some 3,000 years later.
