

Wine tasting & Dinner at Sunset

Please read carefully the procedures, Terms and Conditions before making your booking.

We offer you an evening Semi-private tour to enjoy initially a wine tasting and later your dinner at sunset in selected exclusive spots in town

Based on our experience as travellers around the world, we have realised that we have spent unreasonable amounts of money on food and drinks.

On top of that, we have wasted valuable time on choosing wrongly as regards our nightlife.

After careful consideration, we organise and offer you a semiprivate evening tour in the old town, starting between 7pm and 8pm local time (on your request), which will include wine tasting and dinner in selected exclusive spots in town.

During the tour, we will guide you to the selected exclusive spots, allowing space for personal time. The main objective for us is just to organise your tour and not join in, during it. Our partners, as more professional in their sector, will inform you about the local wine and food.

We can arrange to pick you up from your hotel/villa/apartment or from a suitable meeting point in Town.

The tour duration and the price, will be tailored to needs.
